Equal Opportunity in Swimming

‘Equal Opportunity is about celebrating difference and diversity and as such providing a swimming structure that can respond to this in a proactive and positive manner’.

Swimming is a ‘sport for all’. It can and should be enjoyed and made accessible to everyone. Silver City Blues Masters Swimming Club is totally committed to the principles and practice of equal opportunities across all of its aquatic disciplines by all of its members. In our work with key partners such as swimmers, clubs, teachers, coaches, officials and administrators, we make every effort to ensure that all participation has equity at its core.

In addressing equal opportunities, Silver City Blues Masters Swimming Club will respond to issues of equity by: Recognising that our swimmers, coaches, officials and administrators need to adapt and work flexibly in order to respond to the needs of a wide and diverse range of people. Taking positive action to increase the involvement of underrepresented groups in all aspects of our organisation, participation and coaching.

In doing so, Silver City Blues Masters Swimming Club supports four key principles as being fundamental to ensuring that everyone can participate in our sport and the achievement of equality of opportunity:

Entitlement: People have a right to participate in and access quality and appropriate experiences within swimming.

Accessibility: It is the responsibility of the Club – coaches, officials and administrators – to adapt provision to fit the needs of the many.

Inclusion: Wherever and whenever possible, everyone can access the same quality of provision.

Integrity: Whatever we do as an organisation to change or adopt provision, it must be of equal worth, challenging, relevant and in no way patronising.
