

Training Fees Policy

The aim of the Training Fees policy is to ensure that club members have access to coached training sessions at a frequency which suits their needs. It is also intended to ensure that the club derives sufficient income from training fees to pay for training facilities and coaches.

1. Training Fee Options

The club will provide coached training sessions for its life members and swimming members. There are two mechanisms for paying for training;

Option 1 - Monthly Training Fee: Members pay a fixed amount which gives them access to all club sessions.

Option 2 - Pay As You Go Training Fee: Members pay a fixed amount per session they attend.

2. Training Fees

The club's management committee will set the training fees and may adjust these at any time. Within both options there will be reduced fees for full time students and members over the age of 60.

3. Attendance Records

The club coaches will maintain records of who attends each session. Overall control of these records will be the responsibility of the head coach. In addition to other purposes, this will enable a check to be made that members paying training on the Pay As You Go option, are paying the appropriate amount.

4. Selection and Change of Training Fee Options

Membership application and renewal forms will provide a section in which to indicate the chosen option.

Members should inform the club treasurer if they wish to change.

All members not electing to use the monthly training fee option will be subject to Pay As You Go Training fees for any sessions they attend.

A member using the monthly training fee option may elect to stop paying the monthly fee at any time. After this time they will attend training sessions, if any, using the Pay As You Go option. If they transfer to this option they may not return to the monthly scheme for a minimum of three months.

A member using the Pay As You Go option may elect to change to the monthly training fee option at any time after they have been using this option for three months. This will take effect at the start of the following month.

5. Payment of Training Fees

Members wishing to use the monthly training fee option are required to arrange to pay this by standing order to the club's bank account.

Monthly Training fees are due on the 1st day of the month to which they relate.

All payments for the Pay As You Go option must be made by bank transfer to the club's account.

Pay As You Go Training fees are due to be paid by 15th day of the month following the month to which they relate.
